

SPONSORSHIP OPPORTUNITIES

The State of Texas Alliance for Recycling (STAR) is a 501c3 nonprofit organization whose mission is to advance recycling in Texas. The Compost Summit is our opportunity to bring together professionals from the compost industry to learn, collaborate, meet new people, share successes, and support composting efforts in Texas. This is the only state conference dedicated entirely to the compost industry, providing sponsor a unique opportunity to communicate to prospective clients or partners what they are doing to further composting in Texas.

What can you expect from Summit this year?

- › Attendance of approximately 150-200 professionals representing private sector companies, local/state/federal government officials, academic institutions, nonprofit groups, and trade associations
- › Premier placement for sponsors in exhibit hall
- › Educational sessions, equipment demonstrations, round table discussions, and training opportunities

Why contribute?

- › Tons of networking– see and be seen!
- › Build relationships with industry leaders in Texas and beyond
- › Lend your voice for recycling policies and programs in Texas
- › Support your state recycling organization and its mission

Contact us if you have any questions.
